SINCE its launch in 2010, MJN e-News is a one-stop news and information hub, covering a wide range of topics such as government initiatives, industry challenges, nursing and healthcare education, clinical studies, and more.

MJN e-news is the **ONLY** online portal in Malaysia targeted at the local and global nursing, medical and healthcare sectors.

Updated regularly with the latest industry news, it has served approximately 23000 page views monthly, with over 9000 unique page visitors (*figures are based on 2013 daily trending traffic).
